Installs like Sand, Sets like Cement™

Hardscapes installed with DRiBOND® allow homeowners to extend their living space into the outdoors. Pavers and patio stones are known for their strength and longevity and excel in harsh environments while providing the appropriate texture for slip resistance.

DRiBOND® makes it easy to convert your current concrete patio into a beautifully designed hardscape living area your family will love. There is simply no comparison between a regular concrete patio and a patio enhanced with designer pavers and/or natural stone.

- Most installations are done in 1 to 2 days
- Choose from pavers, natural stone, marble and many more
- No weeds, no sinking, no washouts
